**BERKNESS DECLARATION IN SUPPORT OF MOTION TO DISMISS  
ALLEGATIONS AGAINST ARTEMIS LANGFORD WITH PREJUDICE**

---

I, Rachel Berkness, hereby declare as follows:

1. At all relevant times, I served as counsel to Artemis Langford in this action.

2. I am in possession of a video “Rocky Mountain Women’s Network” took at the University of Wyoming campus after claiming the suit was “thrown out by Judge Alan Johnson because he said he could not define the word ‘woman.’” They arrived with rocks they had painted with messages such as “Artemis Langford is a man.” In a video which the group describes as “the record of our dissent,” the group can be seen placing flyers around campus that contain a photo of Ms. Langford’s face along with statistics indicating that she is predisposed to commit sex crimes. The group left humiliating chalk messages with Ms. Langford’s name on the sidewalks and hung a banner on an overpass that read “#everybodyknows ‘Artemis’ Langford is a man.”
3. I am in possession of video of Ms. Gaines’ speech at the University of Wyoming in which she says: “The judge, was appointed by Ronald Reagan, 87-years-old, how is he still breathing? He told these girls in regards to this incident right here, their sorority and allowing a male into this space with these girls who have been promised sisterhood . . . this judge, again who is on his last breath, said, ‘Who am I to define what a woman is? . . . They can interpret it however they want.’”

Dated 02/28/2025.
